

Comenius Project (2011-2013)

Our future in Europe

For the past 2 years students from UK, France, Hungary, Norway and Germany have been meeting to discuss the issue of mobility in Europe.

Countries	Cities	Schools	Dates of meetings
England	Maidstone	Cornwallis Academy	November 2011
Germany	Hilden	Berufskolleg Hilden	March 2012
France	Avignon	Lycée Théodore Aubanel	December 2012
Hungary	Budapest	Lycée Français Gustave Eiffel de Budapest	March 2013

What someone thought of the Comenius project:
 "It was very interesting to get acquainted with people from other countries, to communicate with them, with several even to become friends" – Sophia, Norway

What we have experienced:

- travelling to other countries (Hungary, France, Germany and UK)
- meeting new people : pupils and teachers who speak a different language
- learning about new cultures like food and religion
- learning about other ways of life, different types of transport
- how other schools are run
